The Hay-Adams Named Among Top 500 Hotels in the World by Travel + Leisure Readers for 2024

WASHINGTON, DC – May 1, 2024 – The Hay-Adams is proud to announce that it has been recognized as one of the top 500 hotels in the world in this year's T+L 500. The list is a prestigious annual ranking of the best hotels in the world, as voted on by the discerning readers of Travel + Leisure.

"It's incredibly rewarding to be named among Travel + Leisure's best once again in 2024," said Nicolas Béliard, Managing Director, The Hay-Adams. "This recognition is a true reflection of our team's unwavering commitment to exceeding guest expectations and creating truly unforgettable experiences."

The Hay-Adams is known for its elegant and inviting rooms, personalized service, exceptional dining experiences and highly desirable location. Guests can savor fine dining at The Lafayette restaurant, enjoy cocktails and casual bites at Off the Record bar or borrow one of the hotel's bicycles to explore the city. The hotel's prime location in the heart of downtown D.C. makes it the perfect choice for both business and leisure travelers, and offers special experiences for families with children that embrace their sense of adventure and discovery. An ideal location for personal celebrations and professional gatherings, The Hay-Adams enhances every event with full service and distinctive sophistication – and offers stunning views of the White House from Top of the Hay, one of several private venues.

Travel + Leisure's Top 500 Hotels of the Year list is based on readers voting each year for their favorite destinations, city hotels, resorts, and more in T+L's World's Best Awards survey. Drawing from the 2023 results, the 2024 T+L 500 list recognizes the best hotels around the globe in a prestigious, non-ranked directory, categorized by geographic region and alphabetical order. This roster of properties serves as a trusted resource for millions of enthusiastic travelers. This year's T+L 500 is featured in the May 2024 issue of Travel + Leisure.
